

Mohammad Shahnawaz

PROFESSIONAL SUMMARY

<https://ruby-on-rails.workhistory.ai>

Trust summary

Trust score: 0/100 · Verified roles: 0 · Total roles: 19

Why this score

Roles on profile: 19 employment claims

Average badge level: 0.0 / 5 (ladder max for score)

Trust score: 0/100 = $\text{round}((\text{avg badge} \div 5) \times 100)$, capped at 100

Verification ladder

- L1 · Self attested — Candidate confirms the role under penalty of honesty.
- L3 · Document verified — HR letter / offer / payslip reviewed by Workhistory.
- L4 · Work email verified — OTP confirmed on a matching company domain.
- L5 · Employer verified — Company portal confirmed employment dates/title.
- L6 · BG verified — AI email + document packet completed for this employer.
